

Annex 2 Plastic Fee Modulation Application Form

Referring to the 'Plastic Fee Modulation Scheme', producers and/or importers of packed products can apply for a lower fee for rigid plastic packaging that has good recyclability with a positive market value after sorting (€0.38/kg instead of €0.64/kg).

You can apply for the lower fee by signing this form and providing the relevant information. You can use the KIDV Recycle Check for rigid plastic packaging to determine whether you qualify for the lower fee. For your application you must upload the following documents in the secure environment of your PackTool account:

1. a completed and signed **"Plastic Fee Modulation Application Form" (Annex 2)** on which the P/I declares that it qualifies for the Scheme;
2. a statement of the expected total weight of plastic Packaging for which the lower fee is claimed in the declaration year in which the application is submitted (**"the Fee Modulation Statement"**, see example on reverse of Annex 2) [in Excel];
3. a completed **"Plastic Fee Modulation Specification Form" (Annex 3)**; supplemented by
4. **evidence, such as photographs, product specifications and/or supplier statements**, showing for the five forms of Packaging constituting the greater part of the Fee Modulation Statement, or for however many fewer the Fee Modulation Statement refers to, that all the conditions contained in the Recycle Check are met. Similar forms of Packaging that only differ from one another in respects that are not relevant for the Recycle Check count as one form of Packaging [in Word, PDF or Excel].

Afvalfonds Verpakkingen will decide whether your company qualifies for the lower fee on the basis of this information and inform your company accordingly. All the information provided to Afvalfonds Verpakkingen will be treated in confidence in accordance with the provisions of Article 7 of the ABBO.
